

Allez, viens! chapter 3

Objectives:

- to ask for permission
- to grant permission
- to refuse permission
- to express obligation
- to forbid
- to reproach
- to justify your actions
- to reject others' excuses

You are able to:

Superior

- create sentences using vocabulary in appropriate contexts, without resources
- express obligations correctly in appropriate contexts, without resources
- give suggestions to help protect the environment
- justify you actions
- reject others' excuses
- discuss Swiss culture

Advanced

- fill in the blank with the appropriate expression, in context, without a word bank or other resources
- express obligations accurately with il faut que and vouloir que, without resources
- correctly answer fill-in-the-blank &/or short answer questions concerning the Swiss culture

Proficient

- fill in the blank with the appropriate expression, in context, given a word bank
- conjugate regular verbs in the subjunctive, given the verb, the subject, and the instructions to give the subjunctive form
- conjugate irregular verbs in the subjunctive, given the verb, the subject, and the instructions to give the subjunctive form
- correctly answer multiple choice questions concerning the Swiss culture

Progressing

- match the vocabulary to its English equivalent
- conjugate most regular verbs in the subjunctive, given the verb, the subject, and the instructions to give the subjunctive form
- respond accurately to T/F statements concerning Swiss culture

Needs Work

- occasionally match / guess meaning of vocabulary, but inconsistently
- inconsistently conjugate verbs in the subjunctive

CULTURAL KNOWLEDGE

You will be able to:

- explain how Switzerland protects its natural resources
- locate Switzerland on a map
- identify the countries surrounding Switzerland
- describe the attributes of the Swiss people
- give examples of how Switzerland attempts to resolve international conflicts
- give examples of how Switzerland helps protect the rights of humans
- describe the political / cultural attributes of Switzerland, including languages, divisions, natural resources, products and services

Please note: You must consistently perform at a level (not just once or twice) to be assessed at any particular level
